Costanzo Ranci

AULA MASTER - piano V - DiAP, via Bonardi 3 - Politecnico di Milano - Campus Leonardo

Info: rtorri@polimi.it - laura.dimaria@polimi.it - 02.2399.5466

Martina Löw is Professor of Sociology and Head of the Interdisciplinary Centre of Urban Research at the University of Technology, Darmstadt/Germany. Her main research areas are the "Sociology of Space and Gender" and the "Sociology of Cities". Currently studies about "Public Security", "Theatre and City" in Darmstadt, as well as empirical research on spatial structures and effects related to prostitution are being conducted.
