INTERNATIONAL SYMPOSIUM
Tuesday 26 and Wednesday 27 November

A SCIENTIFIC MEETING ON METROPOLISES

In 2011 the Ville de Paris instituted a long-term cycle of seminars. Organised with the Laboratoire Techniques, Territoires et Sociétés (LATTS, Université Paris-Est), the Centre d'études Européennes (CEE-Sciences Po), with the support of Paris Métropole and the Atelier Parisien d'Urbanisme (APUR), these meetings bring leading researchers together and aim to nurture ongoing Parisian thinking on the subject.

A SCIENTIFIC COMMITTEE CONSISTING OF FOUR RESEARCHERS:

- **Frédéric GILLI**, economist and geographer, researcher at Sciences Po
- **Christian LEFÈVRE**, Director of the Institut Français d'Urbanisme, researcher at Laboratoire Techniques, Territoires et Sociétés and lecturer at Université Paris-Est-Marne-la-Vallée
- **Nathalie ROSEAU**, lecturer at the École des Ponts ParisTech, researcher at Laboratoire Techniques, Territoires et Sociétés and director of the master's programme "Aménagement et Maîtrise d'Ouvrage Urbaine"
- **Tommaso VITALE**, associate professor of sociology at Sciences Po, researcher at Centre d'études Européennes and scientific director of the master's programme "Governing the Large Metropolis"
