# Migration and Agriculture

Mobility and change in the Mediterranean  
area

Edited by **Alessandra Corrado**: University of Calabria,  
Italy, **Carlos de Castro**: Universidad Autónoma of  
Madrid, Spain and **Domenico Perrotta**: University of  
Bergamo, Italy.

*Series: Routledge ISS Studies in Rural Livelihoods*

In recent years, Mediterranean agriculture has experienced important transformations which have led to new forms of labour and production, and in particular to a surge in the recruitment of migrant labour. This book brings together international contributors from across several disciplines to present case studies from different territories of the Mediterranean basin, offering empirical data and theoretical analysis in order to grasp the complexity of the processes that are occurring.
